

Letter from Publisher

We at The Wisconsin Law Journal are very excited to be launching our newest award series—Wisconsin Law Journal’s Reader Rankings.

Unlike our other awards, this honor is brought to the winners by their peers, clients, colleagues and other law professionals based on the voters’ experience working with them and their reputation in the field.

Our editorial team did not pick the winners. You did. We sent the questionnaires to our print, digital and eBlast readers only. These are **YOUR** awards and reflect who **YOU** think are the **BEST** of the best.

Hundreds of you voted and this book brings you the top three that you picked in each category.

The Wisconsin Law Journal recognizes dozens of the top movers and shakers in Wisconsin’s law community each year. Those events include “Leaders in the Law”, “Women in the Law”, “Up & Coming Lawyers” and “Unsung Heroes”.

Each of those awards are picked by our editorial team, as well as a specially selected judging panel. But we wanted all of you to be the judges for these awards.

Please enjoy reviewing this year’s winners. We plan to do this each year, so please start planning now for your favorite categories, nominees and winners for 2018. Again, these are your awards, and we look forward to hearing from you.

Sincerely,

David Sherman
